

PRINTED METAL SAFETY SIGNS

To address new regulations and concerns for public space management, we are providing metal signage options with health guidelines, distance reminders, sanitizing instructions and other awareness and safety recommendations.

- Full color graphics fused onto commercial-grade metal signage
- Durable for indoor or outdoor usage
- Will not peel or fade
- Easy to clean, disinfect and reuse
- Print official CDC guidelines or provide your own custom instructional graphics or branding
- Made in the USA

Direct employees, shoppers or pedestrians and encourage healthy practices with these high-quality, commercial-grade powder coated metal signs.
