MOUNTING INSTRUCTIONS

We recommend the following hardware to anchor Keystone Ridge Designs' products to concrete:

BENCHES WITHOUT CAST LEGS

Each bench requires four anchor bolts, no longer than 4" in length. We recommend a 1/2" stainless steel expansion bolt. Hilti brand if you can locate it.

BENCHES WITH CAST LEGS

Each bench requires four anchor bolts, no shorter than 6" in length. We recommend a 3/8" stainless steel expansion bolt. Hilti brand if you can locate it.

LITTER RECEPТАCLES

There are four elevated legs on each litter receptacle. You will need four bolts per litter receptacle. You should use 1/2" x 4" stainless steel expansion bolts.

SAXONY TABLE AND CHAIR SET

For the Saxony table and chair sets, you will need four anchor bolts per chair and four anchor bolts per table. Please use 1/2" x 4" stainless steel expansion bolts for both the chairs and tables. The tables and chairs **MUST** be bolted to the concrete to be functional.
