UNIVERSITY BRANDING

We understand the importance of a consistent brand in conveying an image and creating a recognizable campus identity. Consider how site furnishings can be used to enhance your school's brand:

- Use custom powder coat colors to match school color standards
- Incorporate school logos, mascots or crests with laser cutting technology, decals, cast plaques or other metal signage
- Choose furnishings with designs that complement existing campus architecture and themes
- Maintain consistency by selecting coordinating amenities and standardizing across campus and other branches

The options are endless as we guide you from start to finish through the site furniture customization process.
