

GENERAL INSTALLATION INSTRUCTIONS - Bike Racks

PLEASE READ THESE STEPS BEFORE PROCEEDING

Included with your Exeter/Reading/Atlanta Bike Rack is the following hardware:

- Two (2) 3/8" x 3/8" Stainless Steel Set Screws

Please abide by the following installation instructions:

1. Assemble the top and bottom pieces, so that the holes on the underside of the top fit over vertical tubing.
2. Insert Set Screw and tighten using an Allen/Hex head wrench.
