CAMPUS FURNISHINGS

Site furnishings make a great first impression to students, parents and visitors. Whether a college, university or K-12 environment, determining a site furniture campus standard can go a long way to creating a cohesive campus plan.

Keystone Ridge Designs offers the quality, durability, customization capabilities and beauty to meet the demanding needs of educational settings.

COMMON SPACES

Table sets and benches create functional spaces for students to meet, work, eat and gather. Encourage social interactions and outdoor activity with powder coated steel furnishings appropriately installed throughout common areas.
