

P16
Pullman Flat Bench 6'

LENGTH	73 1/2"
WIDTH	27 3/4"
HEIGHT	22 1/4"
SEAT HEIGHT	17"
WEIGHT	165 lbs.

PULLMAN FLAT BENCH

All Pullman pieces are Exclusive By Design™.

KEYSHIELD® METAL FINISH

The trademarked KEYSHIELD® finish protects each piece of furniture from chipping, cracking, and UVA damage while providing unparalleled corrosion resistance. Steel products are finished with a two-coat powder coating process applied to a 7-15 mil thickness. Substrate preparation includes sandblasting to a white finish to remove all surface contaminants. The raw product then receives a corrosion-inhibiting phosphate coating prior to the application of the powder coating. The first coat applied to the substrate is zinc rich epoxy powder primer used exclusively on sandblasted parts. The second coat is a colored polyester powder coating. Both coats are electrostatically applied and oven cured according to powder coating manufacturing specifications to create a smooth, satin-like finish and a low-emitting non-porous armor.

FULLY ASSEMBLED UNIT

The Pullman flat bench is manufactured in the USA as a fully assembled unit to provide ultimate stability and avoid damage during transit to the site, saving time and money.

MATERIALS

Commercial-grade materials, at least 25% recycled raw steel, 100% recyclable steel; completely welded for optimum strength and stability according to Keystone Ridge Designs, Inc. CAD drawing; vertical 3/16" x 1-1/2" steel straps evenly spaced 1" apart attached to 1-1/2" O.D. steel tubing ergonomic center frame; 1/2" O.D. steel tubing support bars connect seat straps to ensure structural integrity; mounted on 1" square solid legs.

PROPRIETARY STATEMENT

Keystone Ridge Designs, Inc.® is proud to offer the design community exceptional site amenities. Due to the time and resources invested in designing, manufacturing and marketing Keystone Ridge Designs' products and services,

we pursue design patents, copyrights, trademarks and service marks whenever possible. Any unlawful duplication or misrepresentation of Keystone Ridge Designs' products will be rigorously protected.
